SEARCHING FOR A NEW JOB AND/OR CAREER? RALEIGH'S CONSTRUCTION AND BUILDING SECTOR IS BOOMING!

The Raleigh Housing Authority is partnering with workforce training agencies and local employers to launch the Building First Initiative (BFI), a program to connect RHA residents to job opportunities in the construction and building sectors. Opportunities for RHA residents include:

- Connections to local contractors/employers.
- Scholarship opportunities for Wake Tech courses in Carpentry, Apartment & Facilities Maintenance, and Forklift Operations.
- Free career development support and networking opportunities with contractors through Wake Tech.
- RHA job opportunities for eligible residents in maintenance, vacancy team, admin, and others!
- Skills training courses for job seekers through Wake Tech (interviewing, job search strategies, networking, resume, etc) with fee waivers for eligible residents.
