

Arne Morris, Board Chair

Arne Morris, CPA, PFS, currently works for Townsend Asset Management Corp. and has over 25 years of experience in the areas of taxation, estate planning, investment management, governance, and succession planning. As a wealth management specialist, he spends a majority of his time serving in the planning areas of investments, cash flow, income tax, estate and gift, and retirement.

Mr. Morris has used his extensive accounting background to assist in the continued improvement of RHA's financial condition. In addition to his financial expertise, Mr. Morris gives valuable insight to the RHA Board with his experience as a landlord and an investor. During his Board tenure, he has been instrumental in assisting RHA as it moved to a HUD-mandated asset management model, improving the curb appeal of RHA properties, developing a contingency plan for the redevelopment of Walnut Terrace, improving customer service, and ensuring that RHA's HOPE VI grants were completed in record-breaking time.
